Selling More Large Wall Portraits Made Easy
by Steve Bedell. M. Photog, Cr

“The Witnesses” - Live play production “Les Miserables”

One of the benefits of having talented children is to watch them perform in incredible high school productions. This image was taken during a live performance of “Les Miserables.” Our son is playing Marius and is shown during the robbery. “Painter” was used to enhance the feeling.

For nearly 10 years I did watercolor versions of the main characters from these plays that are on permanent display at the high school.
